Sunset Coast Archers
Beginners Archery Course.
Come and join us, its great fun!

Sunset Coast Archers shoot every Sunday morning from 8.30am at our shooting field adjacent to Lake Monger.

Sunday morning courses for ages 11 upwards / 8.30am – 10.45am
Places are only reserved on payment of fees.

Our courses are designed to take you from not having touched
a bow to being able to shoot and score rounds with our
more experience club members on week five.
There is an element of practical and theory within the course.
Club Equipment is provided for the duration of the course (12 consecutive weeks).

- Structured Courses are held on Sundays and go for 4 weeks at a total cost of $150. There is nothing more to pay. You may continue to shoot for another 8 weeks, upon conclusion of the structured part of the course.

- Bookings are on a first paid basis but please check with us through the contact form on our website to see if there are any vacancies.

- In the interest of safety there are a few simple rules that we would like all Archers to adhere to. Closed shoes and shirts which cover the shoulders are to be worn (no singlets please), long hair should be tied back and sun protection should be used. Loose fitting tops and peak caps will also interfere with shooting. Floppy hats are good. Bring something to drink – we suggest bringing a water bottle which can be topped up during the morning. Please arrive by at least 8:10am.

- Sunset Coast Archers will supply all of the equipment however you can use your own (recurve bow) if it is deemed suitable. The cost for the course is the same.

- The Total Cost (fees) can be paid at the grounds using a credit/debit card terminal.

- By signing this form you are agreeing that we may video your performance during the course for the purposes of instruction. In addition, you are agreeing that we may take still photographs of your participation in the course for promotional and other club purposes including posting on the club website and featuring in club newsletters, etc. This permission is deemed to include participants below the age of 18 where this form is signed by a parent or legal guardian.

- The course may be affected by rules associated with Covid-19 restriction. You may be offered the ability to either postpone your involvement in the course or be provided a refund.
